Welcome to our practice!

We are pleased that you have chosen us for your dental needs. It is our goal to provide superior dental care to help you feel and look your best.

At your first appointment, which takes approximately 60 minutes, we will complete a comprehensive oral examination. This includes a complete review of your medical and dental history, all necessary x-rays, periodontal health evaluation, and the appropriate dental hygiene therapy. Following this exam, your dentist or hygienist will discuss their findings with you to develop a treatment plan and we will schedule you according to your needs.

To help us see you as soon as possible to the time of your appointment, please be prepared by printing and completing the new patient registration forms. Please provide all necessary information for your dental insurance. If your sponsor is active duty, this includes his current duty station and DEROS. For non-active duty patients, please be sure to provide the insurance company name, group number and member ID number.

Please be aware, it is the patient's responsibility to provide payment in full at the time of service. As a courtesy, we will file claims on your behalf with your dental insurance company, and help in any way we can to maximize your benefit. All our prices are in Euro. For your convenience we accept Visa, Master Card and the European Mastro Card. In accordance with German law, we do not accept the VAT forms.

We ask you make every effort to keep your appointment. If this is not possible, we would appreciate the courtesy of two business days' notice. We will be happy to reschedule your appointment to a more convenient time, if necessary.

We look forward to meeting you and serving your needs

Sincerely,

Wiesbaden Dental Care
